Aeris 134, the efficient cordless telephone

Last born of the ECO Mode swissvoice telephones, the Aeris 134 is the perfect match for your home. Including the cutting edge of cordless telephony, it remains user friendly thanks to its intuitive menu and an ergonomic design. Its 50 entries directory, the various ringer melodies and its speed dial function for your favorite numbers makes the Aeris 134 an ideal telephone for users searching for a practical tool.
